

ANNUAL REPORT

“Great Things are done by a series of small things brought together”

Covid has led to change from traditional chalk board pedagogy to the digital learning approach.

Cambridge International School is ensuring “Learning never stops” amid Covid – 19 with virtual classes. This not only enables teachers and students to connect over video enabled remote classrooms but also provides a host of interactive and collaborative tools on a single platform.

Virtual Learning framework at Cambridge International School has been successfully leveraging technology to engage, motivate and actively involve the students in their own learning.

E-Assembly

“Prayer is putting our self in the hands of God”

Morning Assembly undoubtedly holds the numero uno position out of all the routine activities in a school. Probably it’s the first platform which is provided to young minds, boosting their confidence towards public speaking.

Keeping with the same our Cambridigians of Grade I to IX conducted the Virtual Assembly on various topics.

Yoga

“A few minutes of yoga during the day can be a great way to rid of stress.”

Yoga session was organized for the students through virtual platform. The yoga instructor took yoga session with great dedication. The session began by seeking the blessings of the almighty. Asanas starting with warming up and stretching were followed by a series of Padmasana, Sukhasana etc. and ending with Shavasana. The session was very refreshing, reviving and relaxing to the students.

CCA

As students settle into the routine of online classes, they have turned their attention to activities usual in a regular school year- election, investiture and co-curricular activities.

Club Activity

Virtual clubs for students provide children a way to get involved in our online community and explore new and favorite interests.

Art club welcomes students to make art projects & explore all different types of mediums including: Clay, Paint, Pencil drawing. This club focuses on expanding student's creativity & knowledge of art.

Readathon

"The more that you read, the more things you will know."

To experience, the joy of reading, school organized various readathon competitions for the students.

Virtual Special Assembly

Our school believes that the students should become global citizens while retraining their traditional values. Keeping this in mind, all the important days and festivals were celebrated through virtual assemblies. The essence of the festivals and the special days were portrayed through dance, role play and audio-visual presentation.

Open Day

We organized several OPEN DAYS - The invaluable opportunity to enquire about the student's performance and e-learning difficulties during the pandemic situations.

Mega Painting Competition

To promote the competitive spirits and to bring out the talents of the students, a Mega Painting competition was arranged in our school which gave the opportunity to the other school students also to show their potential with various model painting and drawings.

Exploration

To outlet the steam of caliber of our KG students, we organized paper pencil assessment followed by Sports events. Our young kids showcased their talents sportively.

This year has been a very eventful one for us. We have made great efforts to transform ourselves completely into virtual learning and have been extremely successful in most of our endeavors. Apart from preparing the children to qualify for purely academic demands special efforts are being made continuously to enable them to face the challenges of the competitive world.
